10. (S) Duration of the Authorities Requested (See also, [REDACTED])

The authorities requested should not automatically terminate when foreign intelligence information has first been obtained. Additional information of the same type will be obtained on a continuous basis throughout the entire period requested. The activities which the United States must identify and monitor are incremental and continuous, and communications relating to such activities are often disguised to appear innocuous. The type of foreign intelligence information being sought and the fact that the activities of this target are ongoing preclude the conclusion that, at a given time, all such information has been obtained and collection can be ended. Accordingly, the United States requests the authorities specified herein for a period of ninety (90) days.
